TURA Sports is a quality manufacturer of bespoke teamwear.

Founded 2004, in Australia, TURA Sports now also boasts head offices in New Zealand and Papua New Guinea.

We believe our success lies in our ability to build and maintain strong partnerships and in exceeding modern athletes expectations of performance apparel in the following key areas:

SUPERIORFit, garments designed to move with the body for maximum comfort.

TECHNICALLYAdvanced, hydrophilic moisture management fabrics developed to keep the wearer cool and dry.

DYNAMICDesigns, reproduced in crisp, clear, accurate lines and vivid colour.

WHY SWITCH TO TURA Sports?

TOOLS & SERVICES

Our team is dedicated to helping you quickly and efficiently. Just call or email and we will tend to your requirements.

We have created an innovative, user-friendly online portal designed to allow our customers to track and monitor the production of their orders in real time.

By simply logging in to your online account you can check the progress of your orders, browse through your job and invoice history, upload logos, view and approve artwork or track the courier delivery of your parcel with minimal hassle.

MINIMUMS

We have some of the lowest minimums in the industry, just 10 pieces per style.

iDESIGN

Select one of our **STUDIO** Designs or **CREATE** Your OWN.

Choose from our range of **STUDIO** Designs, select your colourway from our sublimation palette and personalise with your club logo for a simple, cost effective way to individualise your club or team.

Alternatively you can work with our in-house design team to **CREATE** Your OWN unique look, with unlimited colours, logos and designs you can be sure to stand out from the crowd.

DELIVERY

We deliver within 6 weeks of your artwork approval and order placement, every time!

In fact we regularly deliver before then. We also offer an additional **EXPRESS** Service with **3** weeks delivery.

QUALITY

We source and develop high quality technically advanced performance textiles, our sublimation printers are the latest available, our manufacturers and designers are some of the best the industry has to offer. We have these high standards to consistently provide you with quality products.

As a testament to our quality we offer a **12 MONTH MANUFACTURERS GUARANTEE** on all our sportswear.

COMPETITIVE PRICING

Our pricing is some of the best on the market. We are able to offer high quality performance apparel at a great price because we:

Manufacture directly from our own plants in Thailand & China which means no middleman or agents.

Source all of our fabrics direct from the mill's, saving between 50 - 70% on material costs.

Complete all designing, patterns & sampling in-house.

No double handling and no double mark ups result in the best quality at a very competitive price.

ATHLETE SUPPORT

TURA Sports put a substantial amount of funding directly back into the community. We currently sponsor a number of different teams at Local, National and International levels and are dedicated to supporting local athletes in achieving their goals.

"LIKE" us on **Facebook** and "FOLLOW" Us on **Twitter** to keep updated on our community involvement.

ARTWORK REQUIREMENTS

Our elite performance sporting apparel is sublimated. This technically advanced waterless printing process ensures **NO CRACKING, FADING or PEELING** and has virtually no design, logo or colour restrictions. At TURA Sports our commitment is to provide you with a quality garment. To help us achieve this goal we request all logos are provided in vector format.

WHAT ARE VECTOR LOGOS?

Computer graphics are created in 2 different formats: **VECTOR** or **BITMAP** (Rasta). Vector art images can be easily enlarged without distorting the image. However as bitmap art is made up of pixels it becomes jagged (pixilated) when enlarged and is therefore unsuitable for printing at large scale.

ACCEPTABLE FORMATS

Acceptable formats are: EPS, AI, CDR & PDF files.

Microsoft Office (Word, Excel, PowerPoint), Photoshop and images of the web are not suitable for reproducing artwork accurately.

If you don't have your logo in vector format we are able to redraw it for an additional fee.

ORDER PROCESS

1, SUBMIT YOUR REQUEST

Email or phone us with your **ORDER** Overview. Use our look book to get an idea of what you may order in terms of garment styles and quantities on which we can quote.

2, QUOTATION ACCEPTANCE

Upon your acceptance of our quotation we will set you up with an online account. You will receive a username and password. **LOGIN** at the address provided and begin uploading your info.

What do you need to upload?

STUDIO Designs - design code & colour way.

CREATE Your OWN - design ideas/concepts.

Design files.

Suitable logos.

Written design instructions.

3, ARTWORK APPROVAL

You will receive an email within 3 days after uploading design requirements asking you to **LOGIN** and check your designs. You can view your proofs and submit any changes online. Once you are happy with the designs you can also **APPROVE** them online.

4, OFFICIAL ORDER

You can download our order forms from our website or in your online account. Once you have filled out the details simply re upload online or email it to us. An invoice based on your order will be emailed and uploaded to the online portal. Before we begin production we require a 50% deposit.

5, FINAL PAYMENT

Approximately 4 weeks later you will receive a balance invoice from our office. The total of your order less deposit paid is now due before we ship. We accept payments via direct deposit, credit card and cheque. Once balance has cleared we will release your goods.

6, DELIVERY

No later than six weeks after you approve your designs and submit the order, your custom made teamwear will be ready to go. We will send you a dispatch email notification with a tracking number so you can track your parcel. We always enjoy hearing back from our customers so send us some pictures and tell us about your kits. Feedback is always appreciated. You can also post comments on our **Facebook** page facebook.com/turasports.
